TO MILITARY MEN & OTHERS.

S. & H. HARRIS'S MILITARY WATERPROOF POUCH BLACKING.

This Blacking is much used and highly esteemed for cleaning Pouches, Bags, Straps, &c., as it is perfectly Waterproof. Any article after having had a few applications and exposed to the heaviest rains will not be affected so much as even to soil the hands or gloves. The article after being exposed to wet and dirt for many hours, requires only to be sponged or wiped clean, rubbed dry with a soft cloth, and the beauty of the article will be restored without any fresh application of the Blacking, or more than one minute's attention; after five or six applications it will be found that the Blacking will only have to be used occasionally, as a mere rub (daily) with a cloth or old silk handkerchief will renew the polish for some time. This Blacking will be found equally useful for Trunks, or any other black leather article.

Sold by all Saddlers, Grocers, and Oilmen.

Subscriptions and donations in support of the Charity will be thankfully received by Messrs. Cox & Co., Charing Cross, London, S.W.; by the Secretary, C. R. Low, Esq., to whom crossed cheques and Postal Orders on the Charing Cross Post Office should be made payable; or by the Matron, Miss K. Bartlett, at the Home at Hampstead.

The Home was constructed and is equipped for 200 girls, but some beds are now necessarily empty from want of funds.

The need of such an institution is apparent from the fact that there are on an average four candidates brought forward at each election to every one admitted.

The Committee earnestly appeal to a generous public to aid them in the support of the Charity. They also ask for the co-operation in the good work of every Regiment and Corps.

A contribution of but 6*d.* a year from each Non-commissioned Officer and Man throughout the Service would provide for the support of a child from every Regiment.

The Home is open to visitors daily between 10 and 5, except on Saturdays and Sundays.

The Committee invite the inspection of all friends of the Soldier.

GENERAL ORDERS.

QUEEN'S REGULATIONS.

A.O. 182.—Losses, &c., of Stores or Equipment.

The following will be inserted after para. 127, Sec. VI. :—

127A. When stores, or articles of equipment of any kind are lost, stolen, destroyed, or injured, or when deficiencies are discovered, the circumstance will at once be brought to the notice of the General, or other Officer Commanding, in order that it may be investigated by a Court of Inquiry, which will be composed, if possible, of Officers not belonging to the unit or Department concerned. The following will be the subsequent procedure in such cases:—

- (a.) If the deficiency or injury appears to have been due to neglect of duty, or to any other offence under the Army Act, the General, or other Officer Commanding, will either convene a Court-Martial, or apply to the Adjutant-General for authority to allow the individual responsible to pay all or a part of the value of the stores or equipment deficient or injured, instead of being tried by Court-Martial, or of being removed from his appointment or from the Service.
- (b.) If the deficiency or injury does not appear to involve an offence under the Army Act, the General, or other Officer Commanding, will, in the absence of satisfactory explanation, report to the Adjutant-General whether he recommends that the individual responsible should be permitted to pay the amount or a part of the value of the stores, or be superseded in promotion, or removed from his appointment.
- (c.) If the Court of Enquiry find that a satisfactory explanation has been given of the deficiency, or injury, and such finding be approved, application is to be made for authority to write off the loss.

The foregoing regulations do not apply to the cases of loss or damage referred to in the Equipment Regulations, 891, Part I., para. 73.

A.O. 183.—Examinations for the Appointment of Army Schoolmaster.

In Sec. IX., para. 81, in the last line, the words “the Instructions for the guidance of Candidates, which may be obtained from the Director-General of Military Education on application,” will be substituted for the words “Appendix VII., Army School Regulations.”

A.O. 184.—Casting Horses.

Alterations as under will be made in Sec. XI. :—

1. The following will be substituted for paras. 13 to 19:—

13. The Inspector-General of Remounts is authorized by the Commander-in-Chief to supervise casting, and will, when inspecting the animals in charge of any unit, give such directions in respect of castings as he may deem fit. Only the prescribed percentage of animals of units serving in the United Kingdom can be replaced annually.

14. Commanding Officers will forward annually, at the conclusion of the drill season, or as soon after the 1st October as possible, to the Adjutant-General, through General Officers Commanding, a return on Army Form B 164 of any horses they may consider unfit for the Service. This return will be considered by the Inspector-General of Remounts, who will himself inspect, or direct the General Officer Commanding or other Officer to inspect, and cast the horses.

The return should include worn-out horses of 15 years or upwards which are either at the time inefficient from age or likely to become so during the following 12 months.

15. Special cases requiring immediate action will be dealt with as they occur by General Officers Commanding, who will authorize the casting, with or without inspection, as the nature of the case may require.

16. All reports and applications will invariably be accompanied by the Veterinary History Sheets. Horses suffering from infectious or contagious diseases should be dealt with as prescribed in paras. 34 and 68.

17. To obviate charges for the shoeing of cast horses after they have left head-quarters for the place where they are to be sold, a shoeing-smith is to be detailed as one of the party in charge, whenever the number of horses exceeds six, and the distance to be travelled is over 12 miles.

18. In the event of any animals of Infantry transport being reported on as unserviceable from vice, a Board of Officers will be assembled to investigate and report on the circumstances. The proceedings will be submitted through the General Officer Commanding to the Adjutant-General.

19. The Inspector-General of Cavalry is not responsible for casting, but will report generally on the horses of regiments at his annual inspection, and render a special report to the Adjutant-General should he consider an undue proportion of animals is awaiting casting.

19A. At stations abroad the General or other Officer Commanding will authorize casting. A return (Army Form B. 164) of such horses as are considered, after due examination, to be unfit for further service will be transmitted in triplicate to the Officer Commanding at the station by Officers Commanding units,

who, on the return of these documents duly approved, will, when the horses are cast, cause one copy to be forwarded to the Adjutant-General, one to the Officer detailed to conduct purchases, and another to be annexed to the Pay List or other account of the District Paymaster in which credit is given for the amount realized by the sale.

2. The following will be inserted after para. 76:—

76A. In case any animals are detached, their Veterinary History Sheets are to be invariably sent with them, and not retained at the regimental head-quarters.

Each entry of treatment on the Veterinary History Sheet should be signed by the veterinary surgeon in charge.

A.O. 185.—Dress of Officers—Majors of Garrison Artillery.

Should circumstances not permit of a B.L. gun loaded with a filled and fuze shell being fired at the end of a day's practice, on account of obstruction on the range or other cause, the cartridge will be withdrawn and the shell left in the gun until a favourable opportunity offers of firing the round. On no account should an attempt be made to drive the shell out of the gun.

3. The exercises should, if possible, conclude a march, or form part of a tactical exercise, and be carried out in light marching or service order.

4. The targets should be placed well in front of the ordinary batt, so that the actual distance may be unknown, or, when safety permits, be placed altogether off the range.

5. If ammunition (within the authorised amount) can be provided, and there are facilities at the station, section and group volleys may be fired at rows of heads and shoulders appearing and disappearing at different distances, or at a canvas screen representing a gun team crossing the front, or representing a section of Infantry rising to advance.

Any candidate unfavourably reported upon on physical grounds, will only be allowed to proceed with the examination upon the distinct understanding that, if successful in the competition, he will be subjected to further inspection by a Special Medical Board, and will forfeit all advantage to which his position on the list would otherwise have entitled him, unless pronounced to be physically fit in all respects for military service by the Medical Board.

No candidate will be allowed to proceed with the examination unless certified by the Medical Board in all respects as to height and chest measurement fit for Her Majesty's Service, except where the Board, having regard to the candidate's age and physique, expressly state that they are of opinion that there is every reasonable probability of his fulfilling the requirements of the Service in the particulars referred to at the time of his completing his course of instruction and qualifying for a commission. TO MILITARY MEN & OTHERS.

S. & H. HARRIS'S MILITARY WATERPROOF POUCH BLACKING.

This Blacking is much used and highly esteemed for cleaning Pouches, Bags, Straps, &c., as it is perfectly waterproof. Any article after having had a few applications and exposed to the heaviest rains will not be affected so much as even to soil the hands or gloves. The article after being exposed to wet and dirt for many hours, requires only to be sponged or wiped clean, rubbed dry with a soft cloth, and the beauty of the article will be restored without any fresh application of the Blacking, or more than one minute's attention; after five or six applications it will be found that the Blacking will only have to be used occasionally, as a mere rub daily with a cloth or old silk handkerchief will renew the polish for some time. This Blacking will be found equally useful for Trunks, or any other black leather article.

Sold by all Saddlers, Grocers, and Oilmen.

Subscriptions and donations in support of the Charity will be thankfully received by Messrs. Cox & Co., Charing Cross, London, S.W.; by the Secretary, C. R. Low, Esq., to whom crossed cheques and Postal Orders on the Charing Cross Post Office should be made payable; or by the Matron, Miss K. Bartlett, at the Home at Hampstead.

The Home was constructed and is equipped for 200 girls, but some beds are now necessarily empty from want of funds.

The need of such an institution is apparent from the fact that there are on an average four candidates brought forward at each election to every one admitted.

The Committee earnestly appeal to a generous public to aid them in the support of the Charity. They also ask for the co-operation in the good work of every Regiment and Corps.

A contribution of but 6*d.* a year from each Non-commissioned Officer and Man throughout the Service would provide for the support of a child from every Regiment.

The Home is open to visitors daily between 10 and 5, except on Saturdays and Sundays.

The Committee invite the inspection of all friends of the Soldier.

TESTIMONIALS.

G. A. GRANT, Esq., of Craufurdland Castle, Kilmarnock, N.B., writing 30th June 1890, says:—

"The 'EUOPLIA' Gun I got from you to take out to India, I found an excellent Shot gun, and very accurate and handy as a rifle. I always used it in preference to an Express when walking up a wounded tiger."

LORENZO HENRY, Esq., Kylemore Castle, co. Galway, Ireland, writing on September 10th, 1890, says:—

"The 'EUOPLIA' I got from you has been most useful to me, the smashing power of the bullet being tremendous; I shot several Alligators in Florida with it."

J. WALKER CLYDESDALE, Esq., of 4, New Square, Lincoln's Inn, writing December 10th, 1890, says:—

"Having used the 'EUOPLIA' in Paraguay, S. America, I have much pleasure in stating I have formed a very high opinion of the weapon as a ball gun; it is a most deadly weapon. I have seen what it can do on Crocodiles and Elk. As a shot gun I have not seen one I prefer before it. It is the very thing required by sportsmen in South America."

"TOOLJERAM," in writing to the "Field" on "Tiger Shooting in Southern India," August 30th, 1890, says:—
